INTER CLUB PERMIT REQUEST

Inter-Club permits are designed to allow:

- Junior players to further develop their skills by playing senior hockey at another club that can provide higher senior competition than their current club.
- Juniors or veterans to play with another club when their home club does not field a team in their age bracket.
- Clubs to retain players in their home club whilst allowing them to play with their peers.

Eligibility

- A junior player who cannot play junior hockey in their age group with their current club may play in a junior team for another club whilst playing senior hockey for their current club.
- A junior player who is not playing senior hockey can play junior hockey in with their club and play junior hockey in another eligible age group with another club providing their club does not have that age group.
- A junior player may play in a senior team for another club if their current club does not have a senior team.
- A veterans hockey player may play with another club even if their club has a veterans team.

Conditions

- The player may play at any senior level in the nominated club for the duration of the season.
- A trial period of four weeks for both parties be provided enabling either party to withdraw from the contract.
- Arrangements should be made between clubs in relation to fees so as not to disadvantage players financially.
- Permit takes effect when received by the office.
- If this application is for children to play out of outside their expected age group or gender, a parental permission form must be attached. Use and attach a separate sheet if not enough space for request
- After Round 4 NO Inter club permit will be granted without approval by HAW Competitions
