COVID-19 AFFECTED GAMES – ALL GRADES

With the likelihood of the 2022 season onwards being affected by CoVid-19, the following parameters are in place for instances where players not being able to attend due to CoVid-19 related circumstances.

- 1-3 players - Clubs will be expected to fill with players from lower or higher grades.
- 4-6 players - Clubs can ask for additional exemptions in order to field teams must go through permits committee. Requests will be considered to ensure games can proceed. Clubs will be required to provide information regarding why players cannot play and only CoVid-19 related circumstances will be considered for Covid permits.
- 6+ players - Clubs can request the game is rescheduled to another date if six (6) or more players are affected by CoVid-19 and there is no ability to fill from other grades. If the game cannot be rescheduled, it will be classed as a non-event and EQP will be used to determine the final standings of the grade.

Note should a permit be sought to fill sides due to CoVid-19 absence, if that permit is retracted HAW reserves the right to follow up with club as to why.
